

Certificate of Completion

*RoHS Compliance Assurance System Implementation. Training and
Maintenance Audit Program*

*Krypton Solutions
3060 Summit Avenue
Plano, TX 75074*

has successfully completed the Intertek
RoHS Compliance Assurance System Implementation.
Training and Maintenance Audit Program

Intertek's program is based on the "guidelines of Technical Report IEC/TR 62476, Guidance for evaluation of products with respect to substance-use restrictions in electrical and electronic products". IEC/TR 62476 provides guidance on how producers may demonstrate compliance to the European Directive 2011/65/EU Restriction of Hazardous Substances (RoHS) and all amendments to date.
